Re: LMS Announces Retirement of Jonathan Farnham

LMS Announces Farnham's Retirement from Strategic Leadership Role

(GEORGIA, VT – 14 April 2021) – Liquid Measurement Systems, Inc. (LMS) announced today that Jonathan Farnham will be retiring from the Company, effective 28 May 2021.

Farnham, a retired Brigadier General with the Vermont National Guard, joined LMS' Business Development group in October 2013. He subsequently served as Manager of Operations before joining the Leadership Team in the company's top strategic development role in 2016.

LMS President Scott Fewell said of Farnham, "Jon's dedication to his work, and his deep understanding of the industry and our customers have been invaluable during his tenure at LMS. His leadership and mentorship within LMS will be sorely missed, as will his steady hand in guiding some of LMS's closest and most important relationships. I am deeply grateful for the significant contributions he has made."

Following retirement, Farnham will continue working in a reduced capacity with LMS as an independent consultant.
